WE HAVE YOUR REPUTATION IN MIND

WHY HIRE

You will always have an up to date Projector model.

You only pay for the days that you actually use a Projector/ Screen.

You will always have a suitable Projector/ Screen for your event.

You won't have to repair or replace your Projector ever again.

Replacing a Projector Lamp can cost more than £250.

We have no hidden or extra charges, Delivery and Collection within the Plymouth Area is free and a small charge outside.

Cost Start From £39.00 a Day.

All our Projectors for Powerpoint are XGA Resolution or Higher for the Sharpest Presentation .

We have a Large Stock of Audio & Visual Equipment for Sale and Hire.

The Cost of Projectors has fallen by 30% in the last 2 years, This is reflected in our Hire Charges unlike some of our Competitors. So you will Still receive the highest Quality.
